

Maxine had it right!

“Let me get this straight. We're going to be gifted with a health care plan written by a committee whose chairman says he doesn't understand it, passed by a Congress that hasn't read it but exempts themselves from it, to be signed by a president who also hasn't read it and who smokes, with funding administered by a treasury chief who didn't pay his taxes, to be overseen by a surgeon general who needs to lose weight, and financed by a country that's broke.

What the heck could possibly go wrong?”
